

Learn Spanish in Bariloche and Pucon

Town and Country Combinations

For those who want more intensive studies, but hesitate staying in one place for too long we organize programs together with partner schools in Buenos Aires, Rosario, Cordoba, Ushuaia (Argentina) and Pucon (Chile)

Our Spanish courses are designed so that you can continue your lessons at any of these destinations, whether you start in Bariloche or elsewhere, following the same program. We offer 6 levels: Beginner 1 and 2, Intermediate 1 and 2 and Advanced 1 and 2. However, we know most of our students need to be able to communicate as soon and as well as possible during their travels. That is the reason why we combine these objectives from the very first lesson with useful phrases, vocabulary, audio activities, etc. with the subjects students need to cover in order to be able to fit in any other school in the future, even in universities.
